

## CANADA 150

In celebration of Canada's 150 birthday 777 Bay pulled together our community partners, Aura, College Park and even the local business improvement association to provide free samples and products, local entertainment and even some cake to have a great time despite the rainy weather.

## OTHER EVENTS

This year we also enjoyed Play in the Parks lunchtime music, Summer Tenant BBQ, Bike Clinics and Farmers Markets AND managed to complete the construction in the mall - mostly!

We are still looking forward to events for Halloween and our annual tenant holiday breakfast!

## ANNUAL TOY DRIVE

We are already starting to plan for our annual toy drive. New, unwrapped gifts will be accepted in the receptacle in the lobby to be donated to the Woodgreen Red Door Family Shelter. This shelter provides safe and supportive emergency housing to individuals and families in need of refuge from domestic violence, and to those who find themselves without accommodation. The collection bin will be located in the main lobby commencing at the beginning of December to the 21<sup>st</sup>. Help to give a child some good memories this holiday.

## BARBARA ANN SCOTT PARK

Construction of Barbara Ann Scott Park (also known as College Park) has begun!

Facilitated by Canderel Stoneridge on behalf of and under the supervision of City of Toronto's Parks, Forestry & Recreation (PFR) Division, construction of the new park is underway. Although it will not be open for use until Summer 2018 we can now see the skating trail and imagine the fun to be had.

# YOUR PROPERTY TODAY

## WELCOME!

We are pleased to have two new additions to our retail amenities. Coming in December and just in time for the holidays Taylor and Colt, a full service barber spa offering specialized services for men, including hair cuts, shaving, waxing and nail service along with a full selection of professional grooming products and Trade Secrets which we all know for their extensive product lines for women will both be opening on the College Level.

## ELEVATORS

After almost two years of construction, 777 Bay has opened the four new elevators serving floors Street to 6. Unprecedented in itself, the addition of elevators into a building not only occupied by several thousand tenants but home to a vibrant retail section that is constantly flowing with people, is remarkable. The elevators are not only beautifully designed but efficient and quiet. Many thanks to all our Tenants who weathered the work.

## SUSTAINABLE LIGHTING

As Autumn arrives we are reviewing our sustainable operations practices which includes HVAC schedules and building lighting. In November you can look forward to a new user friendly on-line tenant interface for the after hour lighting controls for your offices. Details will be distributed in the coming weeks.

## YOUR FEEDBACK

We always welcome your feedback. Please email [aparkinson@canderel.com](mailto:aparkinson@canderel.com) with any comments, ideas or suggestions that you may have regarding the building or this newsletter.

## FLU SHOTS

As we approach the Fall/Winter season, we also approach a new flu season. Please remember to wash your hands and cover any cough or sneeze. Flu shots are available to tenants at the Rexall Pharmacy on the College level.
