CLEAN HANDS

As we approach the Fall/Winter season, we also approach a new flu season. Please remember to wash your hands and cover any cough or sneeze.

SUSTAINABILITY

This summer, CD Sontner Environmental Consultants conducted our annual Waste Audit as required by Ontario Regulation 102/94. We achieved a capture rate of 64.5%, but there's room for improvement. In the new year, we will begin preparing for BOMA BEST recertification. We are striving to achieve BOMA BEST Certified Gold. This challenge requires everyone's assistance and we look forward to working together to improve Aura Retail's sustainability and status.

Don't forget it's Waste Reduction week October 16th - 22nd, 2017 Let's do our part!

REMINDER

November 5th marks the end of Daylight Savings; remember to change your clock back 1-hour. Take this day to also test your smoke, carbon monoxide detectors and replace the batteries.
